KNOWLEDGE

As a family business established for over 30 years Clarks is the most trusted producer of Welfare Vehicle Conversions in the country. Plus with our range of Crew Carriers, Racking Systems and Lifestyle Vehicles, we are far more than your average convertor.

QUALITY

Throughout our entire range you can be assured that we constantly and consistently endeavour to produce vehicle conversions that cannot be beaten. Even to the point of patent pending technology and heavy investment in machinery and systems.

Clarks was the first in our field to be accredited with VCA type approval, all our parts are crash tested to national standards and we strive to pursue any necessary safety accreditation.
